AMENDMENT RE CORRECTION OF MARGINS IN PATENT APPLICATION

This Amendment is in response to an Office Action of 2004 June 24.

The applicant has tried to correct the margins in the patent application to have a left margin of at least 2.5 cm (1") and a right margin of at least 2.0 cm (3/4").

The client regrets this mistake in preparing and filing the patent application.

This correction of the patent application is dated 2004 July 25.

There are 65 pages in this subject patent application.
